

58-99 cm (length, excluding tail)

### Beavers

Eat: Willows

Eaten by: Gray wolves

2.1-2.4 m

### Elk

Eat: Grasses, willows, other flowering plants

Eaten by: Gray wolves, grizzly bears

2.1-3.5 m

### Bison

Eat: Grasses

Eaten by: Gray wolves

47-70 cm

### Yellow-Bellied Marmots

Eat: Grasses; other flowering plants

Eaten by: Coyotes

8-10 cm (length, excluding tail)

### Deer Mice

Eat: Grasses; other flowering plants

Eaten by: Coyotes

28-30 cm

### Uinta Ground Squirrels

Eat: Grasses, other flowering plants, mushrooms,

Eaten by: Coyotes, grizzly bears

7-35 cm

### Earthworms

Eat: Dead organic matter, fungi, bacteria

Eaten by: American robins

0.5-1 mm

### Mites

Eat: Nematodes, fungi

Eaten by: Beetles

1-3 mm

### Beetles

Eat: Springtails, mites

Eaten by: American robins

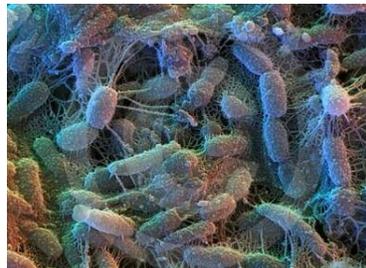

0.25-5 mm

### Springtails

Eat: Fungi

Eaten by: Beetles

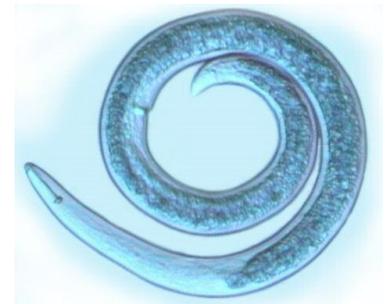

2-6  $\mu$ m

### Bacteria

Consume: Dead organic matter

Eaten by: Protista, nematodes, earthworms

0.1-2.5 mm

### Nematodes

Eat: Protista, fungi, bacteria

Eaten by: Mites

<80-400 cm

## Willows

Eaten by: Beavers, elk

## Other Flowering Plants

*(including berries)*

Eaten by: American robins, deer mice, elk, grizzly bears, Uinta ground squirrels, yellow-bellied marmots

## Grasses *(including seeds)*

Eaten by: Bison, elk, deer mice, Uinta ground squirrels, yellow-bellied marmots

## Dead Organic Matter

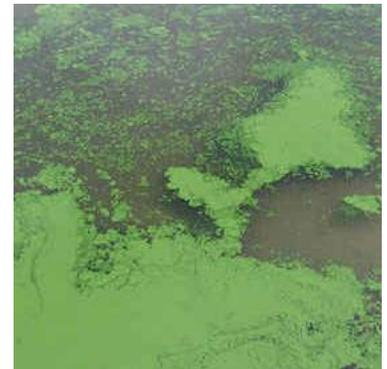

Consumed by:  
Bacteria, fungi, earthworms

## Fungi

Consume: Dead organic matter

Eaten by: Springtails, mites, nematodes, earthworms, Uinta ground squirrels

## Algae

Eaten by: Cutthroat trout

23-28 cm

### American Robins

Eat: Earthworms, beetles, other flowering plants

Eaten by: Snakes and birds of prey (*not included in this food web*)

15-50 cm

### Cutthroat Trout

Eat: Algae

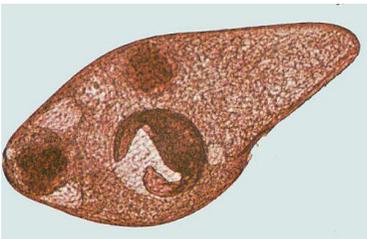

Eaten by: Grizzly bears

1.8-3.3 m

### Grizzly Bears

Eat: Other flowering plants, cutthroat trout, Uinta ground squirrels, elk

<1 mm

### Protista

Eat: Bacteria

Eaten by: Nematodes

1-1.4 m

### Coyotes

Eat: deer mice, Uinta ground squirrels, yellow-bellied marmots

Eaten by: Gray wolves

1.4-2 m

### Gray Wolves

Eat: Elk, beavers, bison, coyotes
